Finding activities set by the teacher on hwb

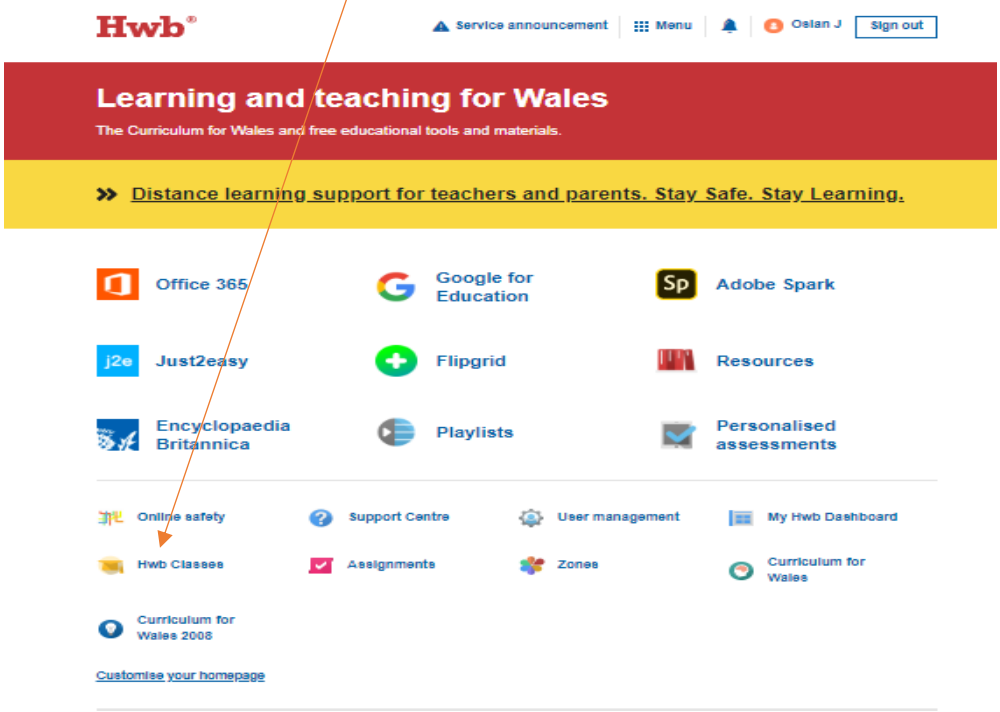

Go to https://hwb.gov.wales/

Log in

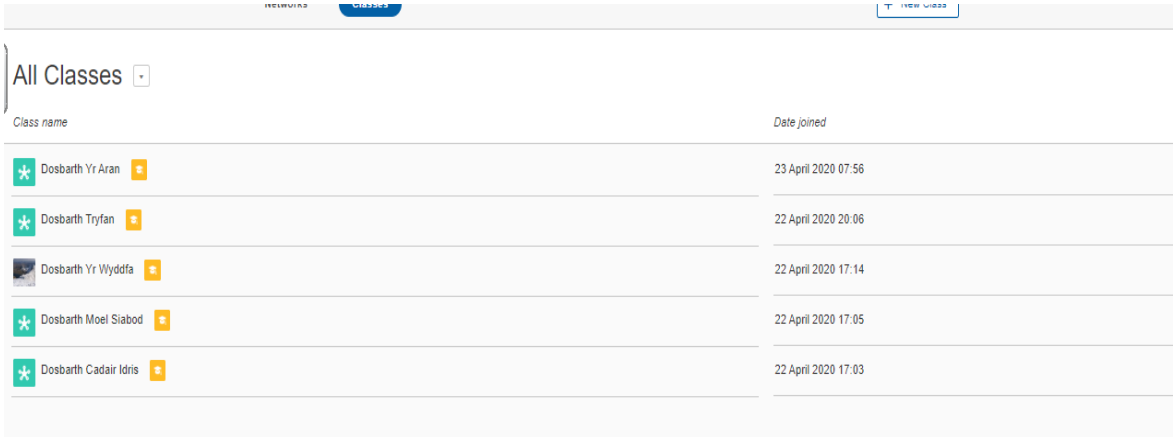

You will be then asked for your password.

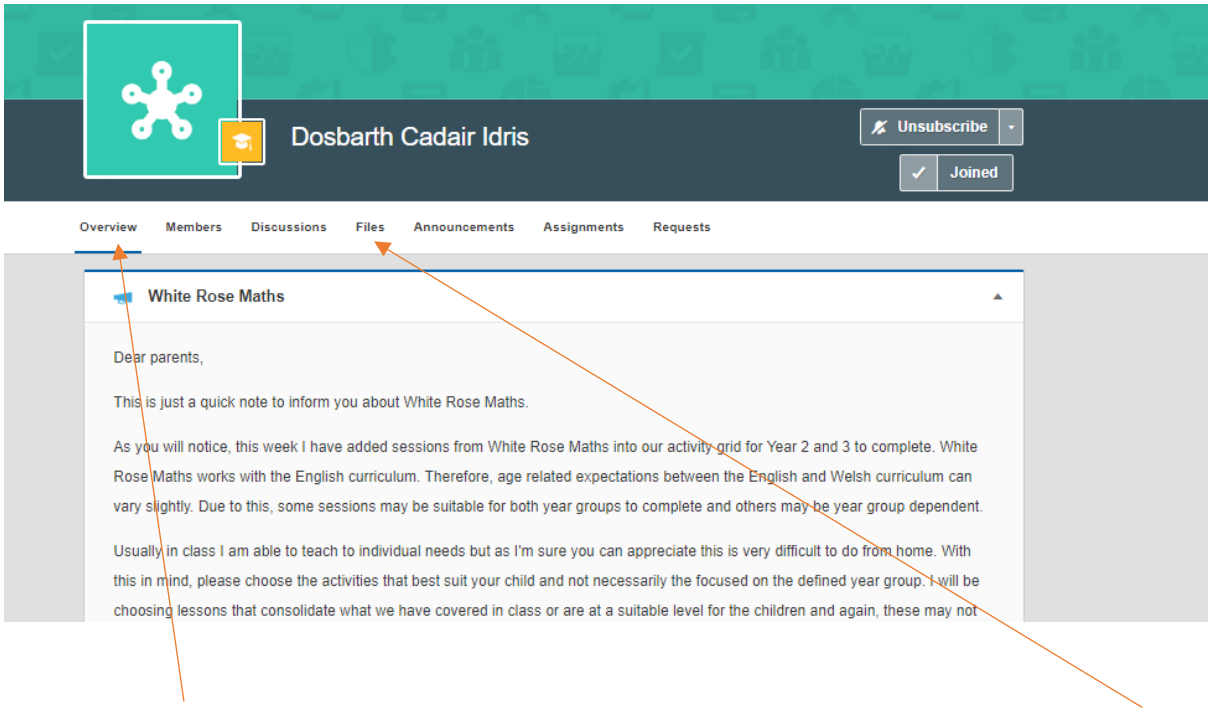

Click on hwb classes

Click on your class name

Once you have found your class page you should be able to see a page similar to the one below.

In the overview there will be messages from the teacher. In the files you will be able to find work set by the teacher.

You will need your hwb user name and password to log in.

If you have forgotten these or you need any help please contact school (by email, by replying to a text or messaging on the website.
